

ENVIRONMENTAL POLICY STATEMENT

January 2003

T.P. Turner Pty Ltd is committed to managing the environment in a positive way, ensuring that the environmental aspects over which it has an influence are protected, and that impacts are minimized.

To do this, T.P. Turner has set the following obligations and objectives, which all staff will abide by:

- Meet all client and regulatory requirements for environmental protection.
- Maintain awareness of our responsibilities as a company, as employees, and for our subcontractors to ensure protection of the environment, through provision of information, supervision and training.
- Reduce, where possible, the environmental impact of our operations by minimizing our waste, discharges and emissions, and using resources and energy more efficiently.

To effectively meet these commitments, we will review our operations regularly.
